

Candidate and Elected Official Pledge
to Support the Protection of Sherwood Forest

I support projects by the City and County of Honolulu that:

(1) are planned with adequate community input and engagement, allow the community to actively take part in determining its own needs and priorities, are open and transparent, and include local residents in decisions affecting their neighborhoods;

(2) protect the environment and preserve plant and animal life (including endemic, indigenous, and endangered species) without causing unnecessary elimination of green spaces or otherwise threatening natural resources;

(3) uphold Native Hawaiian rights and cultural resources, and respect any historically or archaeologically sensitive areas that may include cultural artifacts or burial sites;

(4) rely on assessments and data that reflect the community's current needs and priorities (such as issues related to traffic, irrigation, or water use), rather than outdated assessments and data that are no longer accurate;

(5) are carried out in good faith with honesty and ethical integrity in all dealings with the public and are clearly communicated to local residents without any effort to obscure plans or create the impression that their community was included in ways that it was not.

I pledge to use my office to advance my support for all of the above.

Accordingly, therefore, I do not and will not support any phase of the project known as the Waimanalo Bay Beach Park Master Plan.

Name: Rick Blangiardi

Signature: Rick Blangiardi Date: JUNE 8, 2020

Current Office (if applicable): _____

Candidate for the Office of: MAYOR City & County of Honolulu
